

FLOOD LIGHT

SERIES GKOFDG11

SMALL SIZE:
15W / 27W

MEDIUM SIZE:
40W / 65W

LARGE SIZE:
90W / 120W

Product Overview

Series GKOFDG11 Flood Lights are designed to provide superior performance and efficacy for exterior uplighting applications. Power & CCT Adjustment Controls are included on all models, enabling the lighting professional to adjust light output to meet varied project requirements.

Key Features

CONSTRUCTION:

- Rugged single-piece die-cast aluminum housing with integral heat sink fins.
- Housing has direct contact with the driver to help maintain low temperature and long lifespan.
- Housing is completely sealed against moisture and environmental contaminants.

FINISH:

- The exterior is protected by a rust-resistant powder coat finish that provides superior resistance to weathering and corrosion.

OPTICS:

- NEMA 7H*7V light distribution created by the integrated white reflector.
- Light engines are available in selectable 3000K, 4000K, and 5000K configurations.
- A wide range of lumen options available, from 2,100 to 18,000 Lumens, replaces up to 400W metal halide.
- Heat and impact-resistant tempered glass lens.

ELECTRICAL:

- Universal 120-277V input voltage.
- 2KV surge protection for 120-277V.
- 1-10V dimming driver(s) as default. Dimming wires are connected to the power & CCT adjustment controls and are not accessible from the exterior.
- THD: ≤20%, Power Factor: ≥90%.

CONTROLS:

- Power & CCT adjustment controls (protected by a threaded knockout) are included, enabling power selection from 100%, 80%, 60%, or 40%, and CCT selection from 3000K, 4000K, or 5000K.
- Included integrated photocell for additional energy savings. Cover photocell with included silicone cap to disable photocell function.

INSTALLATION:

- Slipfitter, yoke, trunnion, and knuckle mount are available.
- Designed to be suitable for installation by only one person.

WARRANTY:

- 5 Year Limited Warranty.

LISTINGS:

- DesignLights Consortium® (DLC) Premium qualified.
- UL listed for wet locations.
- Rated for ambient operating temperature -40°F to 104°F (-40°C to 40°C).
